Re: Telephone Request, Cudahy Mine, S/027/055, Millard County, Utah

Dear Mr. Cameron:

Your request has been forwarded to me regarding permitting forms and rules to take over the mining at the Cudahy Mine, Section 3, T24S, R9W, Millard County. I have, therefore, enclosed a copy of the Utah Code, rules, a Notice of Intention to Commence Small Mining Operations, and a Transfer of Notice of Intention for Small Mining Operations.

As you are interested in starting up a small mining operation to reimpact the existing Cudahy Mine, which is currently operated by Byron Ray of Utah Pumice and Perlite Inc. you may wish to complete the transfer form rather than submit a new notice.

If you have any further questions, please contact us.

Sincerely,

Joelle Burns
Minerals Secretary
